Holidays Homework

CLASS 9TH

Dear Students

It's time for a fun-filled and relaxing summer break. However, during these long scorching summer months, while you enjoy yourselves, you must ensure that you also spend your time meaningfully. Your teachers have worked upon some ways of keeping you busy through your Holiday assignments. The main motto behind these assignments is to bring improvement in your speaking writing and reading skills. To make your holidays more worthy you can even try Stargazing, Watch movies and Read books and Try your hand at Cooking or Baking along with studies and in the evenings you can play out door games too....So dear children this summer for SVM children it should be a double bonanza, i.e. studies with enjoyment.
